City Exxon
South Pittsburgh, Marion County, Tennessee

Dear Mr. Hill:

This letter is to inform you the Division of Water Resources (division) is terminating the above referenced permit coverage effective as of the date of this letter. As stated in your letter, activities at 109 West Fourth Street that required an NPDES permit were discontinued.

Please note that all storm water discharges associated with activity require an NPDES storm water permit from the division. Therefore, if you should decide to again discharge, you should submit an NOI in accordance with the requirements of the NPDES at least 30 days prior to the starting of any activities. A copy of the NOI form can be obtained at <http://www.state.tn.us/environment/permits>.

If you have questions, please contact the division at your local Field Office at 1-888-891-TDEC; or, at this office, please contact Mr. Jim McAdoo at (615) 532-0684 or by E-mail at Jim.McAdoo@tn.gov.

Sincerely,
